

WEEK 12 TERM 2 2020

WAIOTIRA PRIMARY SCHOOL

Creating Lifelong learners who care and have P.R.I.D.E.

HAPPY HOLIDAYS!

We made it! It has been an incredibly long term, with no real break over lockdown, and all the challenges that brought. Well done to all our students and staff who have continued to bring their best work and good humour through to the end of term. Have a great break, and take some time to relax and recuperate.

Bingo Night - help wanted!

Chantelle is planning a bingo night on behalf of the School, in loving memory of Fran. This will be held on 12 September at the golf club, with proceeds going towards the Yr 5 & 6 Wellington trip.

If you are able to help in any way, please contact Chantelle on 021 0852 3304.

We will need prizes for the evening, so if you have anything to donate, please let us know.

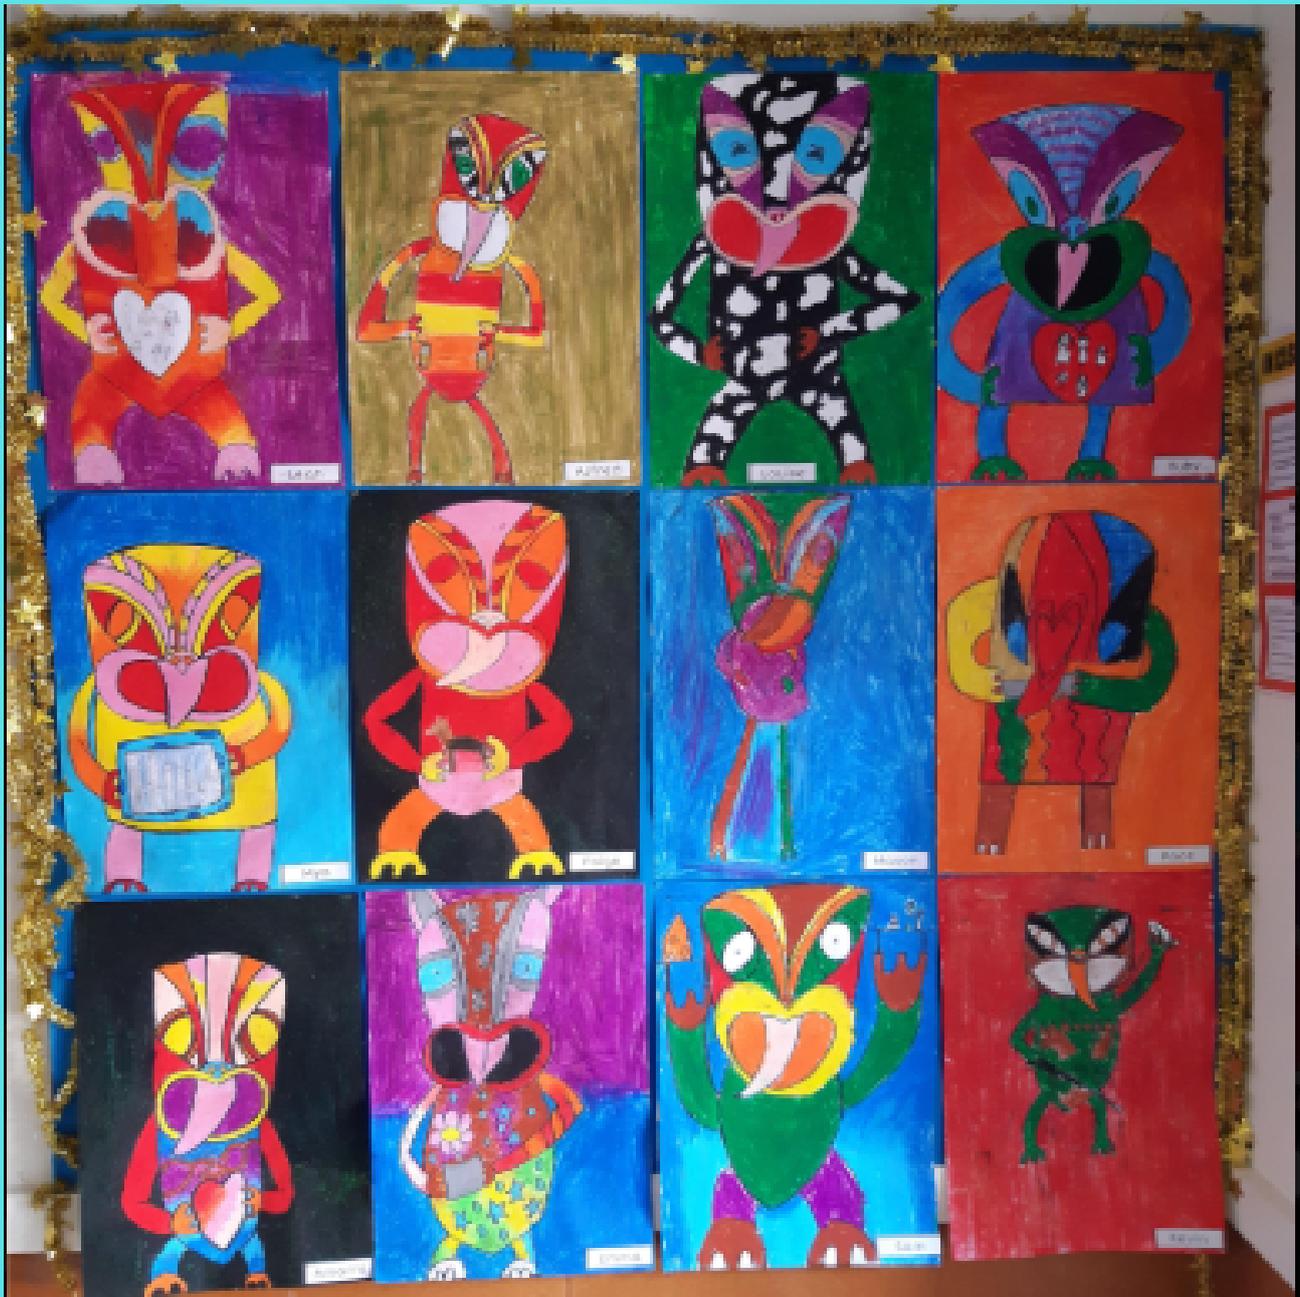

PARKING Reminder

When visiting the school, or dropping or collecting your children, please be considerate of our neighbours when parking your vehicle. Make sure that you leave enough space for larger vehicles to pass.

Room 2 Matariki Pou Pou

Room 2 looked at traditional Maori Pou Pou and their connection to Matariki. We wanted to celebrate our whanau by each choosing a symbol that represented "us" and tells our story. Hope you enjoy our masterpieces!

Room 1 Baking with loving memories

Room 1 did some baking on Wednesday, in loving memory of Jack's grandad. They baked his favourite dish, while Jack shared fond memories of his grandad. This prompted other members of the class to share memories of their loved ones who have passed away. It turned into a special experience with all the loving memories going into the baking.

Tots to Teens winter issue

Our first issue post-lockdown!

Here's your school community's link:
<https://issue2006nin.totstoteens.co.nz/>

We are so happy that with the support of local businesses we have been able to deliver you our June – August 2020 issue.

What's in this issue?

With holidays on the way, and families looking to travel NZ with kids, we have collated 376 things to do in Aotearoa. Now that the chilly days are arriving, we have the deets on how many layers your child needs to wear, how to keep your family in good health with good food, and we share some helpful advice about common ear, nose and throat complaints. We have two super-simple and delicious recipes with brown rice (you'll be hooked on the cheese balls, we promise!) and we look at cures for our sporty kids who develop Osgood Schlatter (knee pain) and Sever's disease (heel pain).

As always, we have many wonderful competitions for readers to enter, and a family fun page for everyone to enjoy.
